

Corporate Social Responsibility

With over 14 years of experience delivering teambuilding programmes for employees from a variety of companies and organisations, we can organise a great day where not only will you experience our inspiring outdoor centre, but you will be contributing to the continued development of our 54 acre site for the benefit of our many and varied users. Your efforts really do make a difference to an exciting project.

We welcome teams of all sizes between 5 - 300; some companies visit with small teams throughout the year, others use us as a training resource for student interns, graduate programmes or as an ice breaker for new associates. We have a number of problem solving and team challenge activities which can be incorporated into your day, including the use of our accommodation.

Tasks include refurbishment, building projects, painting, gardening and ground work, and everyone can participate in a way they feel most comfortable. In the past, groups have built an apiary for our new bee keeping project, an archery shelter and wheelchair abseil.

As well as a positive and interesting day we can offer refreshments and a tasty lunch made with produce from our own farm and garden. There will be an opportunity to tour our site to see the work carried out by previous teams, meet our young people and of course the farm animals! We will pick you up from Hainault Tube Station on the Central Line which is a 5 min drive away, if that is required. This is what your day could look like:

9.00-9.30am	Pick up from station, welcome to our centre.
9.30-10.00am	Getting to know your task, setting up and becoming familiar with equipment – we provide all tools, equipment and protective gear.
10-12.30pm	Team work!
12.30-1.30pm	Lunch break.
1.30-4.00pm	Team work, followed by an activity if you would like one. Goodbyes & drop back to the station.

From **£70 per person**
