

Name: \_\_\_\_\_

## Short Breaks

### Planting and Growing

#### You will need:

- Pea shoots/potatoes/garlic
- Soil
- Pot
- Water
- Plastic for label

#### Task Outline

Watch the video attached which shows Jan planting some crops in the garden. Watch the steps Jan takes and repeat this at home. Log the process on this worksheet (or by taking pictures if you like!) and send them back to us.

On day 1, my crop looked \_\_\_\_\_

-----

On day 3, my crop looked \_\_\_\_\_

-----

On day 5, my crop looked \_\_\_\_\_

-----

On day 7, my crop looked \_\_\_\_\_

-----

On day 9, my crop looked \_\_\_\_\_

-----

I picked my crop shoots on day \_\_\_\_ and they

were looked \_\_\_\_\_
