

Prince's Trust Residential

An action-packed programme to break down barriers, promote team work and build resilience. To set the team up for the rest of their Prince's Trust programme.

Our Prince's Trust Residential visits encompass a variety of our adventurous, farm and environmental activities, designed to challenge young people and push them to their limits. They'll be facing fears, working together, problem solving and breaking down barriers.

We can tailor the programme to suit the needs of your group.
